Cancellation Protection
IMPORTANT- PLEASE READ

Immediately after placing your booking you will have a 7 day 'cooling off period', during which you are entitled to cancel your booking and receive a refund of your tickets (minus booking fees). After this, your tickets are non-refundable (i.e. after the 7 day 'cooling off period' has passed you will not be able to obtain a refund).

TicketPlan Cancellation Protection is available for your booking. We strongly recommend you include this option. TicketPlan protects your booking if you are unable to attend because of accidents and unexpected illnesses. In all instances, suitable supporting evidence will need to be provided.

Full details are included in the TicketPlan terms and conditions [HERE](#) which we advise you to read and retain.

By purchasing Cancellation Protection, your tickets are refundable in certain circumstances, subject to the TicketPlan [terms and conditions](#) which you confirm you have read and understood.

Please note, LaplandUK are not involved in the administration of the refund process and are unable to intervene in individual refund applications.

TicketPlan Cancellation Protection can be purchased at the time of booking only. You are unable to add it to your booking retrospectively.

Any Magical Extras you purchase are not covered by TicketPlan.

The TicketPlan protection fee is also non-refundable after the 7 day cooling off period.

Hints and Tips

We recommend you complete the personalise section below for your child closer to your visit to ensure the information is up to date.

We want to make sure that your Small Folk's personalised audience with Father Christmas goes perfectly. Before you provide us with their personalised information, take a look at our helpful hints and tips below...

1. Please, keep it simple.

Father Christmas prefers short key words and phrases - he can weave this into conversation much easier than long sentences and paragraphs.

2. Be positive!

Memorable moments in Lapland are very important and Father Christmas likes to keep the experience as 'jilly-jolly' as he can. Please ensure that you are providing him with positive words and experiences to talk about. If there is sensitive information that you'd like Father Christmas to be aware of, please [contact us](#) via our website so we can help.

3. Avoid bringing gifts and items for Father Christmas to give out.

Father Christmas will already have everything he needs to deliver a memorable experience for your Small Folk. We kindly ask that you avoid bringing items from home, as he will not be able to give these out during the experience.

4. Please make sure that your answers are clear and easy to understand!

We advise you proof-read your answers. Father Christmas should be able to look at the information quickly and understand what it says. If your answers are complicated, unclear, or not relevant to the question, Father Christmas will be unable to use the information in the visit.
